

Madison Community Theater Scholarship Guidelines

Actors chosen for parts in *Madison Community Theater* productions are charged tuition to cover the cost of performance coaching in the fine arts areas of dramatic interpretation, vocal performance and dancing related to each production. Tuition is based on each individual role and is expected to be paid before the first performance. If an actor can not pay the tuition, a Scholarship Application form can be requested from the Director. The following guidelines apply to all scholarship requests:

- Requests for scholarship applications must be made to the Director of the *Madison Community Theater* before the tuition payment is due.
- The scholarship application must be completed in full and returned to the Director before the tuition payment is due.
- The Board of the *Madison Community Theater* will review each application in a called meeting, conference call, or e-mail based on individual need and makes the final determination as to the scholarship status. The Board's decision will be based on majority vote.
- The Board will decide on the amount of the scholarship to be awarded. All decisions of the Board will be final.
- Scholarships are awarded only for tuition. Payment is expected for costumes*, DVDs (if desired), and t-shirts (if desired).
 - *Payment for costumes is expected; however, if this payment is a Hardship, the Board will consider waving, or reducing this expense, if requested in writing.
- All requests and decisions by the Board of the *Madison Community Theater* will be confidential.
- The secretary of the Board of the *Madison Community Theater* will send the finding in writing to the person making the request.
